3rd Annual Ukrainian Music Workshop

A one-day **Workshop for Ukrainian Music (Fiddle / Dulcimer / Accordion / Keyboard)** will be held at Mundare on March 8, 2008. This will be an all-day event followed by an evening concert and Group Jam. Instructors are excellent musicians from active dance bands. Registered students will learn 2 – 5 fiddle/dulcimer tunes or accordion/keyboard accompaniment that is distinctly Ukrainian. Students will perform these tunes with their group and instructor during the evening concert. Back-up musicians will be available if a class or a performer chooses to use them. The remainder of the evening will be a Group Jam for anyone wishing to participate and any style will be welcomed.

Fiddle students will need to be able to play one tune for placement with an appropriate instructor.

Registration includes two meals (lunch & supper), instructor fees, and venue/facilities costs. We can accommodate a maximum of 60 fiddlers due to space restrictions – please register early! ***
